

SHAPING THE FUTURE OF OUR PARISH

Nuthurst Parish Council has been designated by Horsham District Council to prepare a Neighbourhood Plan under the Government's Localism Act 2011.

The Neighbourhood Plan is community led and currently has a Steering Committee of 3 councillors and 9 residents. In addition there are four focus groups, all being run by some 40+ residents living in the Parish looking at:

- Traffic & Transport
- Farming, Environment & Countryside
- Community, Infrastructure & Local Economy
- Housing & Development

The timescales to full approval will be approximately a year (end of 2014), with a draft plan being prepared by mid 2014.

Your views or thoughts are vital in ensuring we create a plan that is sustainable and meets our needs until 2031. Which means we want to hear from you on how we can make our Parish even better than it already is.

To contact us, simply go the Home page of the Nuthurst Parish Council website & click **CONTACT US**, which is to be found on the left hand panel.
